Terms of Service:

My first 30 days are free. I authorize Client Capture Systems Inc. to charge my credit card \$39 per month (\$348 annually or \$99 quarterly if I selected the prepaid discount above), after the 30 day trial, unless I cancel prior to the end of the trial period. Charges will appear on my credit card statement as [www.clientcapture.net](http://www.clientcapture.net). My \$39 (\$348 annually or \$99 quarterly if selected above) includes unlimited Client Capture web sites. I understand that only I may use this subscription to build single-property sites. I understand that each site I create will remain active for one year, at which time it will be deleted from the system. If a listing is older than one year, I understand I will simply rebuild the single property web site for it. Limitation of Liability: I understand that Client Capture Systems Inc. works hard to prevent server downtime, but downtime does occasionally occur, and my sites may be "down" temporarily. I will not hold Client Capture Systems Inc., its officers and/or employees liable for any activity in connection with the user of Client Capture. Client Capture Systems Inc. cannot guarantee any results in connection with the use of Client Capture. Account Cancellation: I understand that if I wish to terminate my monthly (annually or quarterly if selected above) subscription, I must do so in writing by sending an email to: [customerservice@clientcapture.net](mailto:customerservice@clientcapture.net), or in writing to: Client Capture Systems, 12295 SW Torch Lake Drive, Suite 175, Rapid City, MI 49676.

I agree to the Terms of Service above.
